8.3 Steps to resolving an issue

If a client is unhappy with the service Link Housing has provided, they are encouraged to discuss their matter with the person they were originally dealing with. If the client is not comfortable talking to that staff member, they can contact Link Housing's Client Service Team (9412 5111), who will arrange for them to discuss the matter with that person's manager. In most cases, we can resolve issues through this first step.

The initial contact will be considered to be informal.

Note: if a tenant wants to make a complaint about a decision that Link Housing has made the tenant should make an appeal against the decision. See the Appeals Policy.

8.3.2 Formal complaint

If a client is not satisfied with the outcome of an informal complaint, they can put their complaint in writing and outline why they are making a formal complaint. If the complaint is made verbally, Link Housing staff will take the details of the formal complaint on the client's behalf.

Formal complaints will be:

- Registered in the complaints register
- Acknowledged in writing within 2 working days, advising of the date for a response
- Investigated and considered by the manager for that work area
- Responded to in writing and an outcome given within 21 days unless the person reviewing the matter is unable to speak to the parties involved. In this case, we will contact the complainant and advise of any delay
- The response will include details of what to do next if the client is still unhappy

8.3.3 Formal complaint (Escalated)

If a client remains unhappy after completing a formal complaint, they can request that the complaint be escalated to a formal complaint.

Escalated complaints will be:

- Registered in the complaints register
- Acknowledged in writing within 24 hours, advising of the date for a response
- Reviewed by the relevant senior manager, executive manager or board member who was not substantially involved in reviewing the formal complaint
- Responded to in writing within 21 days unless the person reviewing the matter is unable to speak to the parties involved. In this case, we will contact the complainant within 21 days and advise of any delay.
